

TYPES OF TENNIS SHOTS

serve	/SUHRV/	<i>Let's practice your <u>serve</u>.</i> <i>Your <u>serve</u> is your strength.</i>
forehand	/FOR-haend/	<i>Swing through on the <u>forehand</u>.</i> <i>My <u>forehand</u> was on fire today.</i>
backhand	/BAEK-haend/	<i>Watch his one-handed <u>backhand</u>.</i> <i>Can we work on <u>backhands</u>?</i>
volley	/VAH-leeel/	<i>Bend your knees for that low <u>volley</u>.</i> <i>That was the best <u>volley</u> I've ever seen.</i>
lob	/LAHB/	<i>Rarely can you place a <u>lob</u> over his head.</i> <i>He just missed that <u>lob</u>.</i>
overhead	/OH(w)-vuhr-hehd/	<i>The <u>overhead</u> is a subtly tricky shot.</i> <i>Take the <u>overhead</u> at the highest point.</i>
slice	/SLIS/	<i>I would love to have his backhand <u>slice</u>.</i> <i>My <u>slice</u> goes in the net every time.</i>
Drop shot	/DRAHP-shaht/	<i>That <u>drop shot</u> was way too high.</i> <i>The <u>drop shot</u> is my specialty.</i>
